SELECTMEN'S REPORT

The Selectmen have inserted Article No. 11 in the Warrant because we recognize the fact that the town is growing in population. To keep pace with orderly growth, changes and improvements in public service are mandatory. At this point in time there are two agencies, one state, and one Government sponsored, who will give financial assistance to towns that qualify under their respective programs. The Selectmen anticipate aid from the Government Commission on Crime and Delinquency in the amount of approximately \$9,000 for the first year. Unfortunately the state sponsored program has already allotted their funds for this fiscal year. However, the Selectmen, if this Article is passed, will make application immediately for future funds to:

1. Purchase a new cruiser
2. Renovate the old Much-I-Do Fire Station and use as a police cruiser garage and office
3. Train policeman and special officers

The amount of aid from this agency varies, but it is safe to say that upon approval of our projects approximately 50% of the costs would be forthcoming.

The Selectmen feel that the residents of our town should be aware of this condition before it becomes a serious problem, and of course the best time and place to discuss our future problems is at Town Meeting. We urge as many as possible to attend Town Meeting this March because all appropriations will affect our tax rate next year.

BOSCAWEN PLANNING BOARD

In 1970, the Planning Board gained experience in administering the Town's sub-division regulations. The purpose of the ordinance is to require sub-dividers and developers to provide lots of such size and nature as to be suitable for water and septic tank systems where these services are not now provided by the Town. Where a sizeable sub-division is involved, the Board sets up requirements for the layout, including streets and utilities. It is intended that sub-divisions will be a credit to the Town, and not result in a future burden on the taxpayers.

The Planning Board has held hearings on the proposed zoning ordinance. We continue to advocate zoning as a method whereby the voters can have a voice in the development and changes which are coming.

Boscawen is a member of the Central New Hampshire Planning Commission. The Commission was formed to help member towns with problems which come with rapid population growth. Of immediate interest is the sewer project. Participation in a regional plan will enhance, but not guarantee, the Town's eligibility for increased grant assistance by the Federal Water Quality Administration. Based on Engineer's estimates, this additional sum would be in the range of \$50,000.

Another Commission project deals with rubbish disposal. This concerns us because the State has set July 1, 1974 as the date when open air burning in dumps is to stop.

BOSCAWEN PUBLIC LIBRARY

The book and I secrete ourselves
Behind the paneled door.
We merge our thoughts in retrospect
Of ancient mystic lore,
We spend a pleasant quiet hour,
Nor know it passed us by;
The easy chair, the shaded lamp.
A well loved book and I.

—*Edna Moore Shultz*

The Boscawen Public Library is used for meetings of many groups interested in town affairs.

The roof on the main building has been repaired, also some chairs and a new lock put on the door. New book shelves which will be used for storage in the basement have been built and painted.

New books were on display at both the main and branch library during book week.

We have bookmobile service from the New Hampshire State Library. Books are also borrowed from the State Library at the request of its readers.

Two hundred twenty-three new books were purchased last year.

The kindergarten class with their teachers, Mrs. Beulah Nardini and Mrs. Richard Reed visited the Main Library last fall. The librarian showed them books and how to care for them.

These children had many interesting drawings on display during the year.

A gift of books was given to the Main Library by Mrs. Mildred Burgess, a subscription to the Echo Magazine by the Woodbury family and the Life Magazine for the past years by Mrs. Jeanette Swenson. The library trustees gratefully acknowledge these gifts.

On Saturday, April 18, the Boscawen Public Library held open house in observance of National Library Week. The event was sponsored jointly with the Boscawen Woman's Club, arts and crafts exhibits were displayed by residents of the town and surrounding area. Refreshments were served by the committee.

The trustees wish to express their thanks and appreciation to the Boscawen Woman's Club and to everyone who helped in any way to make this event a success.

We are planning to hold open house again this year in April and hope everyone will try to attend and see the wonderful exhibits.

Last spring the Woman's Club set out beautiful red geraniums in front of the Main Building. These added so much to the landscaping which was done two years ago. For this we express our thanks.

The Main and Branch Library were decorated for the holiday season.

BOSCAWEN COMMUNITY PARK

The activities in Community Park in 1970 were numerous and varied. Two skating areas were maintained during the winter of 1969-70 and were much enjoyed by the children and a few adults. Only our skating area has been maintained during the 1970-71 winter and it has been used a great deal.

The summer program was an Office of Economic Opportunity-sponsored project and we were privileged to have Robin Hodge of Concord as supervisor. Her salary for this pilot project was paid by the Spaulding-Potter Fund. Mrs. Hodge conducted a varied and interesting program and with over ninety children registered and had an average attendance of 45.

A number of interested parents volunteered to help in the program and their assistance was greatly appreciated by Mrs. Hodge and the Park Committee. Mrs. Hodge also had the assistance of High School students from the Youth Corp.

The athletic part of the program was diversified, consisting in part of soft ball, baseball, tether ball, badminton, and horse shoe pitching.

Mrs. Hodge carried on a hand work program which was particularly interesting to the younger set.

Softball teams and Little League baseball teams used the ball field in addition to the regular park program.

Physical facilities at the Park have been improved especially with the completion of the fence along the street and improvement and relocation of the tennis court back stop. The flag pole, dedicated to the memory of Edward (Larry) Sweeney, an enthusiastic and dedicated member of the Recreation Commission, fills a real need.

Vandalism continues to be a very real problem and considerable damage has been done to the toilet and storage building and to some of the other property. The Commission is certain this damage is done by a very small number of thoughtless people but the end result is the same. We hope some solution can be found for this problem.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture – to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning such burning is restricted by regulation to prior to 9:00 A. M. and after 5:00 P. M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?

3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for your help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned:

STATE	484 fires – 244 acres
DISTRICT	74 fires – 67 acres
TOWN	3 fires – 1 acres

170 Fire permits issued for 1970.

**WARRANT FOR ANNUAL MEETING OF
PENACOOK-BOSCAWEN WATER PRECINCT**

To the inhabitants of Penacook-Boscawen Water Precinct in the County of Merrimack and State of New Hampshire, qualified to vote in Precinct affairs.

You are hereby notified to meet at the Boscawen Town Hall in Boscawen in said Precinct on the 26th day of March, 1971 at 7:30 o'clock in the evening, to act upon the following subjects:

1. To hear the reports of the Precinct officers and pass any vote relating thereto,
2. To choose all necessary Precinct officers for the ensuing year,
3. To authorize the Precinct Commissioners to borrow money in anticipation of Precinct taxes and other revenues for the year and to issue notes therefor at such time within one year and at such place as the Precinct Commissioners shall determine,
4. To see if the Precinct will vote to raise and appropriate the amounts listed in the budget for 1971,
5. To see if the Precinct will vote to give the Commissioners authority to transfer any unexpended balance of money from one appropriation to another,
6. To see if the Precinct will vote to raise and appropriate a sum not exceeding three thousand (\$3,000.00) for the acquisition of land and rights in land bordering Walker Pond,
7. To see if the Precinct will vote to authorize the Commissioner to purchase a new backhoe and dispose of the backhoe now owned by the Precinct,
8. To see if the Precinct will vote to authorize the Commissioners to negotiate with Merrimack County, relative to extending the water main to the Merrimack County Nursing Home and Hospital on the following basis:
 1. Merrimack County to pay all costs of construction (approximately \$27,000.00),
 2. Precinct to provide free water to the County for a period of six (6) years or \$12,000.00, whichever comes first, based on present meter rates,

9. To transact any other business which may legally come before the meeting.

Given under our hands and seal this 23rd day of February, 1971.

COMMISSIONERS' REPORT FOR 1970

We installed approximately 3200 ft. of 8" main on Goodhue Road, two hydrants and two line gates. Also one 8" reducing valve had to be added because of high pressure on the lower elevation.

In accordance with the vote of the special meeting we laid approximately 4500 ft. of 8" main on Route 3 north of Goodhue Road to serve the new development. Five hydrants and five line gates were installed. Approximately 1500 ft. of 6" main was installed in the development with Mr. Hollins supervising the work.

Approximately 600 ft. of 6" main was installed in Birchwood Knoll Development. One hydrant branch and one line gate were used with the hydrant to be put in this year.

Our standpipe on Queen Street was drained and cleaned and painted by Law Brothers, Inc. The inside was sand-blasted to bare metal then given three coats of vinyl paint. The outside was spot-primed and given one coat of aluminum paint.

We have had two breaks in the main on Elm Street, two on Goodhue Road, one on Route 3, and one on Woodbury Lane. We have had a problem with frozen services due to the extreme cold weather.

The land and buildings on Sweatt Street were advertised last summer but no bids were entered. We intend to put it out to bid again this year.

Mr. Bailey was cutting lumber last fall near precinct property on the South side of Walker Pond, so we had him cut some lumber at that time. The proceeds (\$1,647.00) were carried forward and used in the 1971 budget to reduce precinct taxes.

Approximately 177,778,150 gallons of water were pumped in 1970. This is about 13,241,150 gallons more than in 1969. We think this could be due to the Concord gate being partly open while the tank was being painted.
